_____ % _____ %

=100%

E. SHIPPING INFORMATION:

Container Size & Type: _____

Proper DOT Shipping Name: _____

Hazard Class: _____ UN/NA _____ PG _____ RQ _____ ERG# _____

Projected Volume: Pounds _____ Gallons _____ Yards _____ Tons _____ Frequency: _____

F. GENERATOR CERTIFICATION:

I hereby certify that all information submitted in this and all documents is complete, contains true and accurate descriptions and is representative of the waste material and that all relevant information regarding known or suspected hazards in the possession of the generator has been disclosed. If DCS discovers, after having picked up the waste, that any waste does not conform to the identification and description on this profile, then DCS shall provide notice of such condition to the Generator and coordinate the return of the non-conforming waste to the point of origin as set forth on the manifest or to such other locations designated in writing by the Generator. Generator agrees to reimburse DCS for all handling, packaging, cleanup and transportation costs or charges, damage to equipment, and costs associated with lost time incurred by DCS during the receipt, handling, temporary storage and return of such non-conforming waste to point of origin or to such other location designated by Generator.
